Damonte Ranch Class of 2023

To the 2022 Damonte Marching Invitational Participants:

Welcome to The Ranch! On behalf of the students, teachers, staff, and families of Damonte Ranch High School, it is with great pride that I welcome you to the Damonte Marching Invitational.

We are anticipating a wonderful event filled with amazing performances. The commitment of time, talent, and effort is fundamental to your presence today and we are confident you will have an outstanding competition experience. We value the skills and integrity of all performances as each directly impacts the overall collaborative efforts of the competition and musical education of all participants.

We welcome and are thrilled to host the exceptional bands here today. We encourage you to enjoy this day and relish in the enthusiasm created by the music and energy in each performance. In the words of Billy Joel, "Music in itself is healing. It's something we are all touched by. No matter what culture we're from, everyone loves music."

With that said, I hope you are all touched by the musical performances. We wish each of you the best of luck today and in all your future endeavors.

Sincerely,

Darvel Bell

Welcome

Dear DMI Audience and Participants,

On behalf of the Damonte Ranch High School Band Community, I would like to welcome you to the 12th annual Damonte Marching Invitational. Students that participate in the Marching Arts develop lifelong skills that go far beyond the performances that you will see today. This event is a testament of dedication, drive, perseverance, and working toward a common goal for many months that culminates into each performance.

We are thrilled to host more than 300 students that have devoted a tremendous amount of time and sacrifice to continually strive for excellence as they have worked tirelessly to perfect their craft throughout this Marching Band Season. Please do not hesitate to demonstrate your appreciation and admiration for every band performing today through your cheers and applause. Additionally, thank you to all of our amazing Damonte Ranch parents and community members that have dedicated their time, energy, and resources as hosts of this amazing event.

I wish all schools good luck with their performances today and throughout the remainder of the band season!

Each band will be evaluated and scored using the following captions:

- Music Effect
- Visual Effect
- Ensemble Music
- Ensemble Visual

Scoring

Bands will receive a score based on a total possible 100 points computed to the nearest tenth of a point. The percentage of the total score for each caption is:

- Music Effect: 30% (15% Program Effect and 15% Performance Effect)
- Visual Effect: 30% (15% Program Effect and 15% Performance Effect)
- Ensemble Music: 20% (10% Musicianship/Tone/Intonation and 10% Balance/Timing/Technique)
 - Ensemble Visual: 20% (10% Composition and 10% Excellence)

Adjudicators will be instructed to use a regional/local scale, rather than a national scale for adjudication. Adjudicators will provide digital commentary in responding to each aspect of the band's performance. Constructive feedback should reinforce the learning process. It must be of direct value to both the band director/staff and performers.

Some Things to Consider

Will being in band affect my child's grades?

YES- research shows that participation in band will affect your child's grades for the better. On average, students who participate in school music organizations score 89 points higher on standardized tests like the SAT than students without musical coursework. Also, 70% of the nation's major universities report that participation in a musical organization is a higher consideration than standardized test scores for admission decisions.

In addition, many real world business concepts are explored and taught in band. Leadership, team building, interpersonal relationships, and management skills are a regular part of the band environment. Regular training in these subjects is taught throughout the year. Inclusive of the practical application of leadership skills throughout the year.

Creekview High School Band Website

https://drive.google.com/file/d/1t_JdfpQ2b2BjNQ8EjevboIDVkoZjBlet/view

The next time you watch a marching band show, examine the level of expectation and delivery that occurs with each student. It is truly remarkable, and it will help you appreciate even more the feeling that comes from a well per formed show. When they are done stand up and cheer their efforts...they are truly at the top of the 'responsibility pyramid' when performing in marching band.
