Sparks Florist Fundraiser – 12 Months of Flowers

For the month of August, raise some of your band Fair Share fees with the Sparks Florist “12 Months of Flowers” fundraiser. Each \$40 card is redeemable for one flower bouquet each month from September – August at either Sparks Florist location.

Get the word out to friends and family, promote on your social media. Most people who have purchased or received these flower cards become repeat customers. They even make great gifts.

Student Benefit: Students earn \$10 per card toward their individual Fair Share fees.

Fundraiser Dates: August 1 – August 31.

Process: Each card costs \$40. Collect the funds in cash or check (check payable to **DRHS Band**); students or parents can bring money to any rehearsal. BPO parents will be outside the band room for the last hour of each rehearsal to collect the money and distribute cards. Students will then deliver cards to their purchaser. The BPO has also provided a sheet to keep track of sales.

If the timelines do not work, please email damonteranchbpo@gmail.com and someone from the BPO will be able to arrange a different time/location. Cards cannot be distributed without payment.

Need to know: Cards are redeemable at both Sparks Florist locations which are open M-F 9:00am to 5:00pm. There are blackout dates listed on the cards for *Feb 9 – 15th, the Wed before Mother’s Day through the Tuesday after Mother’s Day, and Dec 20 – 26th*. If a card is not redeemed within the month, flowers for that month cannot be picked up later.

If you have any questions, please reach out to any of the BPO board members or email damonteranchbpo@gmail.com.

Thank you for your support!
