Welcome

To the 2024 Damonte Marching Invitational Participants:

Welcome to the Ranch! On behalf of the students, teachers, staff, and families of Damonte Ranch High School, it is with great pride that I welcome you to the Damonte Marching Invitational.

We are anticipating a wonderful event filled with amazing performances. The commitment of time, talent, and effort is fundamental to your presence today and we are confident you will have an outstanding competition experience. We value the skills and integrity of all performances as each directly impacts the overall collaborative efforts of the competition and musical education of all participants.

Music is the heart of every High School. In the words of Beyonce, "I cannot imagine my life if I didn't have a music program in my school." Each one of you are the heart of your school as you perform in many realms. You bring the energy and enthusiasm to sporting events, musicals, and school assemblies. You surround the neighborhoods with your melodious rhythms as you practice tirelessly for these events and competitions like the one here today. You are valued and appreciated, and today we celebrate YOU! We encourage you to enjoy this day and relish in the enthusiasm created by the music and energy in each performance.

With that said, I hope you are all touched by the musical performances. We wish each of you the best of luck today and in all your future endeavors.

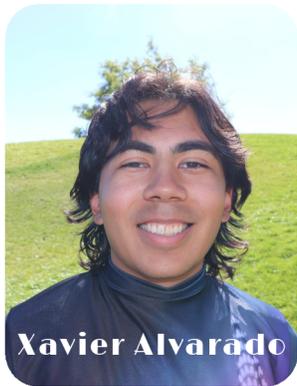

Sincerely,

Darvel Bell, DRHS Principal

Welcome

Dear DMI Audience and Participants,

On behalf of the Damonte Ranch High School Band Community, I would like to welcome you to the 14th Annual Damonte Marching Invitational. The marching arts allow participants to develop skills that extend beyond what will immediately be seen today: Dedication, drive, perseverance, and collaboration, to name a few. These performances are a culmination of many hours of work over several months, and each deserves to be recognized.

We are thrilled to host more than 300 students who have dedicated a tremendous amount of time to continually strive for excellence as they work to perfect their craft throughout this marching season. I encourage you to demonstrate your appreciation and admiration of this fact for every band through your cheers and applause.

I would be remiss if I did not thank the amazing Damonte Ranch parents and community members who have donated their time, energy, and resources to make it possible to host this event.

Best of luck to all of the performers today and throughout the rest of the season!

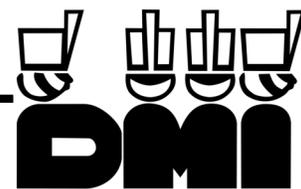

Matthew Kasper, Director of Bands
Damonte Ranch High School

The Damonte Ranch Band family would like to thank the parents, alumni, and many volunteers who have put in countless hours, talents, and financial support to make this event possible. Thank you to each and every one of our sponsors and supporters as it is their generosity that allows us to compete in contests with productions we are proud to perform. We are immensely grateful for the guidance of our director, Matthew Kasper. He has brought together these musicians and performers as both friends and teammates. Our thanks to the administration of Damonte Ranch High School as well as the Custodial, Maintenance, and Grounds teams for their support not only today, but all year. Finally, much appreciation to the amazing marching band and color guard staff and the village that it takes to support this year's musical journey through a day in New York City...

Each band will be evaluated and scored using the following captions:

Music Effect
Visual Effect
Ensemble Music
Ensemble Visual

Scoring

Bands will receive a score based on a total possible 100 points computed to the nearest tenth of a point. The percentage of the total score for each caption is:

Music Effect: 30% (15% Program Effect and 15% Performance Effect)
Visual Effect: 30% (15% Program Effect and 15% Performance Effect)
Ensemble Music: 20% (10% Musicianship/Tone/Intonation and 10% Balance/Timing/Technique)
Ensemble Visual: 20% (10% Composition and 10% Excellence)

Adjudicators will be instructed to use a regional/local scale rather than a national scale for adjudication. Adjudicators will provide a digital commentary in responding to each aspect of the band's performance. Constructive feedback should reinforce the learning process. It must be of direct value to both the band director/staff and performers.
